MOTION FOR CONTINUANCE

NOW COMES Horace M. Black hereinafter "movant", in support of the instant motion states the following:

Pursuant to Court Order I was granted until February 6, 2006 to file with this court an amendment to the initial \$2255 motion that sets forth with clarity any new claims of ineffective assistance of counsel he wishes to assert and present all factual materials and arguments he wishes to present in support of his new claims.

I unfortunately have not received the factual materials needed to support the new claims at this time and additional time will be needed in order for the supplement to be submitted completely and correctly.

Thanking you in advance for your time and patience with this matter.

Respectfully submitted,

Horace M. Black
